

#13 Printed Lanyard - 20mm Quick Release (no breakaway)

FRONT & BACK (if having double side print)

TIPS

Logo/Text Element within pink box

Space for Attachment

Background to be sized to fill the entire green bleed area:
1100.409 mm x 26mm H
(Max logo elements is 15mm H)

Tips for your Lanyard Artwork

- Vector logos give the best print results
- Outline text or provide us with the font files
- Embed any images
- Graphic backgrounds (*ie not a solid colour*) make sure to size the background to the entire lanyard length
- Text & Logos need to be inside the critical area print lines
- Remove copyright registration (*they will look like a blob!*)
